

POWERFUL. PERSONAL. FLEXIBLE.

Get 3 years for the price of 1 year when you trade in an eligible 2005-2015 license¹ by April 22, 2016

Available from

**February 7, 2016 to
April 22, 2016**

See page 3 for a list of eligible “going to” products and page 4 for a list of eligible “coming from” products.

Special Offer Summary

Trade-in Offer

Existing customers can save up to 70%¹ on the SRP of 3-year subscriptions to any eligible product of their choice when they trade-in their eligible 2005-2015 perpetual license serial numbers (and uninstall all associated seats). LT Family products are eligible to “go to” any of the LT Family subscriptions only.

New 2- and 3-year Subscription Offer

New and existing customers can save up to 5% on the SRP of new 2-year and up to 10% on the SRP of new 3-year subscriptions to eligible products.

Special Offer Conditions

- LT Family products (including Maya LT) are eligible to “go to” any of the LT Family subscriptions only
- Cannot be combined with other promotions or discounts
- Cannot be combined with Volume Purchase Agreements and Named Account discounts

Special offers for existing and new customers

Autodesk is in the final phase of its transition from perpetual licenses to subscription-based offerings.

New perpetual licenses of Autodesk Design and Creation Suites and the remaining individual products will not be available for purchase after **July 31, 2016**.

For a limited time, special savings are available when you subscribe to your favorite products.

It's a great time to subscribe

The majority of customers have already shown a preference for Autodesk subscription options over perpetual licenses.

For those customers who have not tried subscription, this trade-in offer is a great way to get the latest software and discover the value of subscription.

Customers can get a 3-year subscription for less than the price of 1-year—locking in the price for the whole term!

With great power comes even greater benefits

Customers who subscribe get:

Lower Cost of Entry

Get the Autodesk software you need at a lower up-front cost.

Flexible Terms

With single-user or multi-user options and quarterly, annual and multi-year terms², subscribe for an easier-to-manage software budget.

Quick and Easy Troubleshooting

Access to a range of technical support options to minimize delays and downtime.

Cloud Services

Collaboration tools, secure storage, faster rendering and visualization capabilities.

The Latest and Greatest Software

Access to the most up-to-date Autodesk design and creation tools as they are released.

Scalability to Fit Changing Needs

Easily ramp up or scale back based on project and staffing needs.

Flexible Usage

With Home Use, Global Travel and Previous Version Rights, seamlessly use the software version of your choice from almost anywhere.

Administrative Tools

Contract reports, usage reports and more help you keep track of your benefits.

¹ This promotion offers up to 70% off the Autodesk Suggested Retail Price (SRP) when purchasing any eligible three-year term Autodesk product subscriptions and trading in an equivalent number of eligible perpetual licenses of previous releases (2005-2015) of Autodesk software products. Previous releases of LT Family perpetual licenses may be traded in for three-year term subscriptions to LT Family products only. The customer agrees to uninstall these traded-in perpetual licenses and their corresponding serial numbers will be deactivated. This promotion also offers 5% off the SRP of new two-year subscriptions and 10% off the SRP of new three-year subscriptions to any eligible Autodesk products.

Offers available from February 7, 2016 through April 22, 2016 in the USA and Canada from participating resellers and eStores only. Offers cannot be combined with each other or any other discounts, and do not apply to Named Accounts. Full product lists, details and restrictions at www.autodesk.com/campaigns/global-promotion-tcs.

Savings amounts, annual and annualized monthly desktop subscription prices shown are US dollars, based on Autodesk SRP of annual Desktop Subscriptions and are displayed for reference purposes only, as the actual retail price is determined by your reseller. Annual desktop subscription licenses are available through Autodesk or Autodesk authorized resellers. The annualized monthly price does not include any allowance or provision for installation or taxes. Monthly desktop subscription licenses are available through Autodesk only.

² All subscription benefits may not be available for all products or services in all languages and/or geographies. Subscription programs are subject to the applicable Autodesk subscription terms and conditions and/or Autodesk Terms of Service.

Autodesk Authorized Resellers are independent resellers and free to set their own prices. Reseller prices may vary. Please consult your local Autodesk reseller for further details.
