

Holman's of Nevada names Pisani Infrastructure Solutions Application Engineer

LAS VEGAS – Holman's of Nevada, Inc., a Las Vegas-based technology company, has named Tom Pisani infrastructure solutions application engineer.

For Holman's, Pisani will be responsible for providing training, support and implementation of the company's Autodesk Land Desktop, Map 3D, Civil 3D and AutoCAD Software.

Prior to working for Holman's, Pisani worked in civil engineering as a senior designer for over 10 years. He holds a bachelor's degree in business management and is currently pursuing a second degree in civil engineering.

Since 1977, Holman's of Nevada – located at 4445 S. Valley View Blvd. – has provided computer hardware and supplies, network support, CAD services and training, and business technology solutions to Southern Nevada's architectural, engineering and construction industries.
